Conditions for the intake of animals:

1. All wild animals will be accepted. No domestic animals will be accepted (i.e. cats, dogs, rabbits, chickens, ducks, geese).
2. Butterfly World Animal Sanctuary **reserves the right to relocate, if necessary,** donated animals to a suitable rehabilitation center or a PAAZA Institutional Member (African Association of Zoos and Aquaria), or free indigenous animals into a suitable habitat if and when possible.
3. Butterfly World Animal Sanctuary does not pay for the animals that are donated.
4. **Butterfly World Animal Sanctuary becomes the owner / custodian of this animal with the signing of this form and the former owner/donor/legal guardian or any previous owners will have no claim on the animal hereafter.** A fee of R70 per day will be charged in the case where donors want the animal back after 48 hours from donation.
5. Copies of any permits pertaining to the donated animal should be forwarded to Butterfly World Animal Sanctuary.
6. In case of severe health problems - whether with arrival or developed at Butterfly World Animal Sanctuary, the Owner of Butterfly World Animal Sanctuary, together with the Animal Collection Manager and the designated Veterinarian may make an informed decision to euthanize an animal, to prevent unnecessary suffering, spread of infectious disease or to mitigate any disease risk to the public or to the staff of Butterfly World Animal Sanctuary.
7. Please note that free entry is granted to the donor on the day of donation, but no further free entries will be granted to donors after donation. We receive dozens of donations every month and do not have the capacity to correspond with all donors. Please refrain from enquiring about the animal.
8. Animals in our care are given a scientifically formulated diet and ex-owners will not be allowed to enter the garden with treats for any donated animals.
9. The donor declares he/she is the rightful owner of the donated animal and has the right to do so with no third party interference.
